# Asset Management

New Huo Asset Management (Hong Kong) Limited (“NH Asset”) is an HKSF-licensed virtual asset management company with the Type 4 (Advising on Securities) and Type 9 (Asset Management) licenses.

NH Asset is the first HKSF-licensed virtual asset fund manager with actively managed VA funds and allows subscriptions and redemptions in both fiat and VA currencies.

With years of deep dive research and investment experience in virtual assets and blockchain technologies, we aim to provide access to virtual assets for traditional investors via multiple products and services with tailored investment strategies.
